### **Auditors' Responsibility**

Our responsibility is to express an opinion on the schedule based on our audit. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. In making those risk assessments the auditor considers internal control relevant to Leon County BOCC's preparation and fair presentation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Leon County BOCC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
