

## **Electronic Certified Documents are Now Available**

The Leon County Clerk of the Circuit Court and Comptroller is pleased to announce that we have added the ability to electronically certify Court Records and Official Records through the Clerk eCertify function provided by Triedata. This convenient new service uses advanced encryption features to produce secure, tamper-proof electronically certified copies of court records in minutes.

Traditionally, in order to obtain a copy of a certified records, a trip was required to the Clerk's office to have a paper copy certified, stamped and delivered. The public can now access this new online service by visiting the court records search page at

[https://cvweb.clerk.leon.fl.us/public/online\\_services/search\\_courts/search\\_by\\_name.asp](https://cvweb.clerk.leon.fl.us/public/online_services/search_courts/search_by_name.asp) or the Official Records search page at [https://cvweb.leonclerk.com/public/clerk\\_services/official\\_records/index.asp](https://cvweb.leonclerk.com/public/clerk_services/official_records/index.asp)

To search, simply locate the court record or Official Record, and once the image of the document appears, click on purchase certified copy from eCertify to begin the process.

Documents that have restricted viewing access on the internet cannot be eCertified. However, records in cases available to the public as registered users, certified copies of documents can still be obtained by signing up for [Secure Web](#).

For more information please go to the website or call the Clerk's office at (850) 606-4000.
