Statement of County Funded Court-Related Functions.....2

Report of Independent Accountants

The Board of County Commissioners
Leon County, Florida

We have examined the accompanying Statement of County Funded Court-Related Functions (the Statement), as required by Florida Statutes, Section 29.0085, of Leon County, Florida (the County) for the year ended September 30, 2013. Management is responsible for the County's compliance with the Florida Statutes, Section 29.0085 requirements and the related Florida Statutes, Section 29.008 requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

The Statement was prepared by management to present the applicable revenues and expenditures of the funds associated with the operations and functions related to the State Court System in accordance with the requirements of Florida Statutes, Section 29.0085, in order to demonstrate compliance with Florida Statutes, Section 29.008. This Statement is not intended to be a complete presentation of Leon County, Florida.

Our examination disclosed that the County did not maintain their expenditures from the prior fiscal year in accordance with Florida Statutes, Section 29.008, paragraph (4)(c).

In our opinion, except for the deviation from Florida Statute described in the preceding paragraph, the County complied, in all material respects, with the aforementioned requirements set forth in Florida Statutes, Section 29.0085, and the Statement presents the County's applicable revenues and expenditures in regard to its funding for the State Court system for the year ended September 30, 2013.

This report is intended solely for the information and use of those within the County and the regulatory agency with which the report is being filed, and is not intended to be and should not be used by anyone other than these specified parties.
