WHEREAS, the administrative burden of certification and regulation of Civil Process Servers pursuant to Section 48.25, et seq., Florida Statutes, has increased comparatively to the increase in the number of Certified Civil Process Servers; and,

(c) Authority. The Chief Judge may certify a civil process server in a specific County or Counties within the Circuit rather than Circuit-wide, in the Chief Judge's discretion and upon request of the applicant.

The Office of the Court Administrator and the Clerk of Court for each County shall update the list of Certified Civil Process Servers with notations or removals based upon the court orders.

15. Confidentiality of Disciplinary Proceedings

When a disciplinary proceeding is either dismissed or results in a reprimand from the Board, all records of the proceeding shall remain confidential; otherwise, all such records shall become public when the Chief Judge makes a final disposition.
